PERSONAL INFORMATION

Surname:	Adams	Name	Imraan
DOB	05/11/1994	Nationality:	South African
Health;	Excellent	Languages;	English, Afrikaans

Portfolio

I am a enthusiastic software developer student, currently at 'Codespace Academy', with a strong focus on software/ web development. Particularly a strong focus on HTML, JavaScript and CSS. Currently I am pursuing a qualification in Software Development, I have a solid understanding of front-end development principles and a passion for creating interactive, user-friendly web applications. Through hands-on projects and coursework, I have honed my skills in responsive design and JavaScript frameworks. Eager to contribute to innovative teams, I am dedicated to enhancing my technical abilities and delivering high-quality web solutions.
